

PROFILO COMPACT

COMPACT SHAPERS

Discharge

Halogen

PROFILO COMPACT is a new range of extremely compact and lightweight shapers, ideal for use in showrooms, museums, churches, trade fairs, conferences, etc.

PROFILO COMPACT has an internal system with four shutters to give high-precision shaping of light beams.

PROFILO COMPACT is available in 4 models: with halogen lamp (max 300W), or discharge lamp (150W / 70W / 35W) with built-in ballast.

Features:

- Extremely compact and lightweight
- 2-lens optical condenser
- Focal adjustment from 20° to 40°, giving precision movement on a double track
- Internal system with four shutters
- Optional gobo holder for gobo projection
- Boxed gel holder
- Steel housing with aluminium edge profiles
- Colours: Black / Aluminium white (RAL 9006); other colours available on request
- Internal ventilation labyrinth
- G12 lampholder for discharge lamps (150W / 70W / 35W)
- GX9,5 lampholder for halogen lamps (max 300W)
- Power supply: 230V 50/60Hz
